August 10, 2009 – PAXUS LLC, a global leader in payment processing software has announced the opening of their Latin American office in Mexico City. PAXUS Mexico was established to answer the explosive growth expected in the payment industry in Latin America.

PAXUS LLC merged with Maya Informativa Transaccional Aplicada, (Maya ITA), in order to form PAXUS Mexico.

"The opening of the new office in Mexico is a strategic step for PAXUS LLC's expansion into the growing Latin America market and also a way of responding to the current demand for our solutions and services. It is also a next natural step and part of PAXUS LLC's continued focus on profitable organic growth." Says Damian De Rozairo, CTO of PAXUS LLC.

Dr. Victor Duran, President of Maya ITA will assume the role of Managing Director of PAXUS Mexico.

About PAXUS LLC:

PAXUS LLC revolutionizes the payment processing environment with total portability between operating system platforms and easily configurable custom business processes. The PAXUS LLC team has expertise in all business lines of debit and credit processing with an average tenure of over 20 years of payment processing experience.
